There's nothing like a good love song that'll get you in the mood for Valentine's Day. Talking about love is hard, and singing about it is even harder. That's why we leave it to the experts to put all those messy feelings into poetic words and beautifully packed melodies. Have Beyoncé, Lana and Chance show you what romance really is about with our list of the best modern love songs. Whether you're building a playlist for an evening with that special someone or planning a galentine brunch, these hits are sure to give you all the feelings. Have Some Love by Childish Gambino This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. In his otherwise melancholy album *Awaken My Love*, this song from Childish Gambino stands out as an inspiring yet groovy love song. All of Me by John Legend This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. Not only are John Legend's songs undeniably romantic, but they seem to have worked for him – he and Chrissy Teigen have one of the most beloved marriages on the internet. R.E.M. author Ariana Grande This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. This reworking of Dire Straits' song managed to overshadow the original in pop culture, and doubles as a karaoke favorite. Make Me Feel by Janelle Monáe This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. No heartbreaking lyrics, no dark ruminations – Janelle Monáe's *Make Me Feel*, from her much-celebrated dirty computer album, is all about light, sweet kind of love. Lovesong by Adele This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. The power and emotion behind her voice will make you fall in love with Adele for the rest of this song. With You by Mariah Carey This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. So much of Carey's considerable discography is devoted to declarations of love, so it's hard to pick a single song for this list. That said, with you definitely stand out. IT'S LOVE. Kendrick Lamar ft. Zacari This content is imported from YouTube. You may be able to find the same content in format, or you may be able to find more information on their site. This isn't the kind of love song we're going to be together forever. This is realistic, I want to be with you, will you still love me if... melody – and it's getting better for it. Blessings by Chance the Rapper This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. Chance has proven time and time again—whether he declares love to his fiancée or donates his resources to charities in Chicago—that he is the real deal. Which makes this confessional, uplifting poem all the more poignant, even if it's more about faith-based love than romantic diversity. I Found You by Alabama Shakes This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their site. Modern country band Alabama Shakes created an irresistible ballad in I Found You. None of Alicia Keys This content is imported from YouTube.
